To Whom It May Concern,

This is a letter of recommendation on behalf of Northeast Water Remediation. I am an eighty three year old disabled woman living alone when a catastrophic sewage back-up occurred in my basement. Tom was extremely helpful from the very beginning. He handled the entire solution. He contacted the insurance company for me and methodically remediated the sewage in my home. He is professional and always available to answer my questions. He had a great crew working by his side and very efficient. They treated my home with respect as if it were their own home. The personal touch was outstanding. I highly recommend Tom and Northeast Water Remediation.

Sincerely
Ann D.
